TRAGEDY SEES AIR SHOW CUT FROM CARFEST FUN

AN air display planned for this week's CarFest South in Overton has been cancelled following Saturday's Shoreham plane crash.

The motoring festival's organisers confirmed the news following the Civil Aviation Authority's (CAA) decision to temporarily ban vintage jets from

performing "high-energy aerobatics" over land.

The popular charity event at Laver-

stoke Park Farm had been due to include an air show programme in its Saturday schedule, despite pilot Kevin Whyman being killed during a similar display at CarFest North at Oulton Park earlier this month.

But with at least 11 people now known to have been killed after a

Hawker Hunter crashed into traffic on the A27 in West Sussex on Saturday, the displays will not now take place out of respect for the victims and their grieving families.

A CarFest South statement read: "Following recent tragic events, the organisers of CarFest have decided

that there will be no air display programme at CarFest South this weekend. This decision has been taken both as a mark of respect and in consideration of the airshow review announced by the Civil Aviation Authority (CAA).

Adventurer plans solo coastal row

• James Ketchell

By Christian Wilson

christian@observergroup.co.uk

JAMES Ketchell could be forgiven for never wanting to step foot on a boat again after his attempt to row the Indian Ocean in world record time resulted in a dramatic deep-sea rescue last month.

But while his vessel The James Lewis might have been lost at sea after being swept away by the tide, the Basingstoke adventurer has already started plotting his next big challenge.

The man, known as Captain Ketch, had previously embarked on an eight-month cycle challenge through 20 countries, rowed across the Atlantic and climbed Mount Everest before his ambitious record attempt on Friday, July 3.

But the 33-year-old is planning on doing things a bit closer to home this time around by becoming the first person to successfully row the 1,800 miles around the coast of Great Britain solo.

"This is my life, so I'll never stop trying to do things that people think are impossible" said Captain Ketch.

"I haven't been put off at all by the last trip - what happened was just unlucky, so there's nothing that could've been done."

"I've been able to go on all sorts of adventures around the world, but I just felt it was time to try something closer to home."

"I'm really excited, and in a lot of ways this will be the hardest challenge I've ever done, but I know I can do it."

The Scout Ambassador is aiming to set off on his trip from London's Tower Bridge next May in

a bid to raise money and awareness for national children's charity Over The Wall.

Captain Ketch will self-document his entire 60-day journey online as he rows, while people will be able to come out and meet him as he rows just a few hundred metres from shore.

He added: "We live in an age where if you flew to the moon in your own homemade spaceship, nobody would care unless you filmed it."

"People need to feel part of what you're doing, and that's what I want to offer in this challenge."

"It would be a remarkable achievement if I can manage it, although breaking records doesn't really appeal to me, because I'm already in the record books!"

Flypast tribute to pilot

to all of those affected by the terrible incident on Saturday." However, the popular motor, music and food festival announced that a special aerial tribute would still go ahead as planned for pilot Mr Whyman.

The statement continued: "We hope to hold future air events at future festivals and would like to offer our support and good wishes to the air display community."

"A flypast by the Gnat display team honouring Kevin Whyman who lost his life during a display at CarFest North is still planned to go ahead on Saturday afternoon and will be accompanied by a minute's silence in honour of Kevin and the victims of the Shoreham air disaster."

CarFest was founded by broadcaster and new Top Gear presenter Chris Evans in 2012 - it has raised over

£3.5million for the BBC Children in Need charity through its annual shows in Overton and Cheshire since then. The three-day event will look to continue its success when it returns to Basingstoke and Deane on Friday.

Take That, Paloma Faith and Jools Holland are set to take to the stage as part of a packed music lineup at the sell-out event. Motorheads will also get the chance to check out former Formula 1 World Champion Jody Scheckter's personal collection of Grand Prix racers alongside other classic cars.

News Bites**Business raided**

BASINGSTOKE: Three offenders burgled a Basingstoke car garage in the early hours of last Friday.

The thieves broke into Moorlands Car Garage in Elm Road in Sherborne St John at about 2.40am after forcing entry to the business by breaking a door.

They then proceeded to search the offices and several cars before leaving the property empty-handed.

Police have launched an investigation into the incident, with the offenders understood to have been wearing hooded tops, dark sports clothing and gloves.

PC David Catchpole, of the Northern Investigation Team, said: "This incident happened overnight in a semi-rural part of the district."

"Were you passing through the area at the time?"

"Did you see anyone acting suspiciously in a vehicle nearby?"

Anyone with any information is asked to contact the Northern Investigation Team by calling 101 and quoting 44150290042, or by contacting Crimestoppers anonymously on 0800 555111.

Store jobs boost

BASINGSTOKE: Over 1,200 people have applied to work at the upcoming John Lewis at Home and Waitrose superstore in Basing View.

The store is set to provide a total of 369 full-and part-time retail roles across both shops when it opens later this year.

The recruitment drive forms part of the John Lewis Partnership's ongoing commitment to Basingstoke, with the businesses already working alongside JobCentre Plus to provide jobs for local people.

Basingstoke and Deane Borough councillor John Izett, who is leading the Basing View project, said: "Over 300 new jobs for local people is one of the big wins that the new store will bring to our residents."

Great granddad vows to keep up charity stunts

A GREAT granddad from Chineham is aiming to prove that age is just a number in the name of charity.

Having already raised more than £10,000 for the Alzheimer's Society over the last three years through a number of challenges, 72-year-old Roger Fuller will go one step further this Saturday.

He will put on his running shoes to take on the 26.2-mile Capital Marathon Challenge, just weeks after abseiling 100 metres down Portsmouth's Spinnaker Tower.

The retired salesman has vowed to never stop pushing himself while he is still able.

"There aren't any rules about age, it's all about what you do with it," said Roger. "I know it'll be tough, so I'll have to make sure that I pace myself and take it one step at a time."

"I'm very lucky that I'm still

able to do this kind of thing, but I'm never going to stop living and doing more until something stops me."

The granddad of six was inspired to raise funds after seeing the impact on granddaughter Imogen Austen when her grandmother was diagnosed with Alzheimer's in 2012.

Since then, Roger has completed a six-day trek on the Great Wall of China and three other sponsored walks.

"People think that Alzheimer's only affects one person, but it really doesn't, it has affected everyone in my family," he said.

"It's been a very traumatic time, and has made me very sad to see my granddaughter miss-

"My granddad never broke into

anything more than a brisk walk,

and seemed really old to me.

Councillor joins workers on their patrol

A BASINGSTOKE and Deane borough councillor took to the streets on Monday in a bid to tackle antisocial behaviour.

Cllr Robert Tate joined several of the council's community safety workers on patrol to see the work undertaken by them.

The Baughurst and Tadley North councillor was on hand as an antisocial behaviour warning was issued for fly-tipping in Abbey Road, with Cllr Tate praising the team for their positive effect on the community.

He said: "I felt it was important to understand the challenges our officers face and to support them. They are doing a tremendous job in delivering the message that antisocial behaviour is not acceptable."

The cabinet member for communities, service delivery and improvement also met with the manager of Rooksdown Community Centre and visited

Burnaby Close shopping parade in Bucksdown to assess how well antisocial behaviour was being dealt with.

Cllr Tate added: "We have a low crime rate in the borough, which

is something to be proud of, but we also take tackling antisocial behaviour very seriously and our aim is to prevent this occurring by working proactively with local residents and the police."

Opinion sought

TADLEY: Basingstoke and Deane Borough Council has been asked for a screening opinion on plans to build 290 homes in Tadley.

The application is for land off Bishopswood Lane and would include a range of different-sized houses, including ones categorised as "affordable housing".

A screening opinion assesses the effect that a development could have on the environment and surrounding community.

Festival rejected

POPHAM: Basingstoke and Deane Borough Council has rejected an application to hold a music festival in Popham.

The council's licensing sub-committee refused the application for the One Love Festival at Popham Airfields after concerns were raised over possible risks to the public due to the site's location next to the A303.

Organisers had already sold tickets for the event from Friday, September 4, to Sunday, September 6.

The reggae festival will now take place at Croft Farm in Gloucestershire.

BASINGSTOKE: Second World War veterans will meet at a reunion dinner in Basingstoke.

Mercedes is stolen after break-in at town home

THIEVES stole a car after breaking into a Basingstoke home last week.

They got into the house in Cavella Close, Hatch Warren, through the front door, found the keys to the vehicle and made off in the white Mercedes CLA 220 AMG parked outside the address.

The incident is thought to have taken place at some point during the daytime last Tuesday while the householder was at work.

Police are appealing to the public for information to locate the vehicle's whereabouts and track down those involved in the burglary.

PSI Scott Buchan, of the Northern Investigation Team, said: "This burglary happened during the day and I am keen to speak to anyone who might have seen anything unusual in the area or who might have seen the car driving around."

"I would like to remind residents to leave their keys in a safe and secure area and report suspicious incidents as soon as possible."

Hampshire Constabulary is advising residents to keep car keys away from windows and doors to prevent them being "fished" through letterboxes.

Anyone with any information is asked to contact PSI Buchan on 101, quoting 44150215057.

Hypnosis backed to cut childbirth pains

FOR many women giving birth can be both a special and daunting prospect due to the stories handed down of the excruciating pain that comes with bringing a child into the world.

But while many choose to focus on the latter feeling, a Basingstoke therapist has urged new mothers to ignore the pain and enjoy the moment using the unorthodox method of hypnosis.

The idea of using 'hypnobirthing' - which focuses on self-hypnosis to relax and control labour pains - is one that is unlikely to be taken too seriously by a lot of people.

But with recent reports showing that nearly a quarter of women who gave birth at Colchester Hospital University Trust in Essex used the technique, multifaceted therapist Christine Green has backed the method's popularity to continue to rise.

"We British tell each other horror stories about it being really painful, but it's a natural and beautiful experience," said Ms Green.

"Hampshire hospitals should follow the example set elsewhere in the country, because it really works."

"For it to take off though, people

christian@observergroup.co.uk

have to start taking it seriously."

Ms Green, 57, has taught the technique to about 10 women over the years through classes at her practice, Wellbeing Consultancy in Winchester Street.

Among those to benefit from her efforts was mum of two Melissa Tecklenberg from London, who found that hypnobirthing dramatically reduced her pain when she gave birth to son Jasper in 2001.

"I was a bit sceptical of it at first, but when it was time I was just so calm and the labour pains just stopped," she said.

"It felt so empowering and I have Christine and her constant positivity to thank for that."

Oxfordshire's Kat Somerville, 39, took hypnobirthing classes ahead of the birth of both her sons Alex and Felix in 2008 and 2010. She said: "It's not like buying a hypnosis DVD at the market, it really works."

"My husband was sceptical at first, but after seeing me give birth from start to finish in 50 minutes without pain, he's not any more."

Ms Green moved to Basing-

• Multifaceted therapist Christine Green (right) has called on more women to use hypnosis to reduce the pain of pregnancy

stoke 20 years ago after being born and raised in Kenya, and feels that the fear of pain associated with childbirth is down to the attitude of Europeans.

She added: "When you take away the fear and modern-day

expectation, what you're left with is the girl picking coffee in the plantations in Africa, who has her baby, puts it on her back, and then carries on. It's a priceless experience, and women should get to enjoy it."

Move considered

BASINGSTOKE AND DEANE: Basingstoke and Deane Borough Council will meet next Tuesday night to discuss the possible creation of a combined Hampshire local authority and devolution of powers from the Government.

Councillors will meet at the civic offices in London Road from 6pm to weigh up the proposal and contribute to a draft letter to Secretary of State for Communities and Local Government Greg Clark stating their intentions.

The debate comes ahead of the Government's deadline for submission of the proposals three days later.

Doing it their way

HAMPSHIRE: A night celebrating what would have been the 100th birthday of legendary singer Frank Sinatra will raise money for Hampshire and Isle of Wight Air Ambulance next month. The event will take place from 7.30pm on Saturday, September 19, at the Burghfield C.S.A Ballroom.

Dunlop to resign over homes plan 'madness'

A BASINGSTOKE and Deane councillor has vowed to leave the Liberal Democrats before the local elections come around next year.

Whitchurch councillor Eric Dunlop made the decision after plans to build houses on land currently used for a recycling yard in the ward were approved at a council meeting earlier this month.

Cllr Dunlop had labelled plans to redevelop the site in Hurstbourne Station into 30 homes and 1,156sqm of office space as a "stab in the back for Whitchurch" ahead of the meeting on Wednesday, August 12.

And he admitted that the project being given the green light had played a major role in his decision to resign from the party and become an independent candidate.

"This is an absolutely ludicrous development and I'm really not happy about it," said Cllr Dunlop.

"I think that it's just madness that they passed it, and they should all get their heads tested."

"I thought that someone from the party would support me on this issue but they didn't, so I think I will be much better off and stand more of a chance of being listened to as an independent."

By Christian Wilson

christian@observergroup.co.uk

The councillor also questioned the Liberal Democrats' decision to remove him from his position on the borough council's development control committee earlier this year, with Baughurst and Tadley North's Cllr Michael Bound currently the party's only representative.

He said: "I just don't agree with their policies any more, so when the next election comes round I'll be an independent."

"It really disappointed me because I have always looked at planning as my forte and that has now been completely sabotaged."

Cllr Dunlop was confident of retaining his position as an independent councillor at next year's elections.

His Whitchurch seat is part of the one third of Basingstoke and Deane Borough Council seats to be recontested in May.

He added: "I might decide to retire gracefully at the next elections but I'm not sure yet."

"But if I do stand, I'm not worried because the people of Whitchurch vote for people, not policies."

Voice your view on solar farm plans

THE time when our voices as residents need to be heard, is when major developments are planned.

Last week, The Observer reported on plans to put 19,000 solar panels on green-field land at Wildwood Farm, Old Basing.

My belief is that we should prioritise brown-field sites over green-field ones when it comes to commercial or residential development, and that nothing should be done that risks major housing developments flooding the Loddon Valley.

We also need to consider closely the economic value of solar energy over other green energy sources.

It is no accident this development is being rushed forward as a result of the Government's announcement it is shutting down subsidies received for this type of plan because the

fund is already £1.5bn over-spent, presumably because so many schemes have already been approved and built. Solar energy in the right climate is a good thing, but not at any cost.

However, as borough councillors, we are elected to represent the wishes of residents and local parish councils, which is why it is important that your voices are heard.

There was a disappointing turnout to the community information evening.

However, there is still time to express your opinion on these plans. I urge you to share your thoughts with the Old Basing & Lychpit Parish Council at www.oldbasing.gov.uk/contact-us/ or with your borough councillors.

Ultimately people power should decide on solar energy in our communities. Make sure your voice is heard.

GCSE results joy for school pupils

By Christian Wilson

christian@observergroup.co.uk

THOUSANDS of pupils from across Basingstoke nervously descended on their respective schools last Thursday morning to collect their exam results.

The day marked the end of an era for them as they discovered whether they had gained the grades necessary to make their future plans a reality.

Teachers at Costello School were left overjoyed as their pupils once again beat the national average of 68.8 per cent for higher pass grades – with 70 per cent of pupils claiming A* to C marks.

The school in Crossborough Hill has endured a turbulent year after former headteacher David Nicholson's controversial resignation from his post in April, but new head Leigh Adams praised his pupils for not being distracted by the news.

Mr Adams said: "This year's results gives us a solid platform to work from next year as we continue to focus relentlessly on the quality of learning and teaching."

Among the highest achievers at the school was Amy Under-

Amy Underdown and Harry Hall both did better than they expected at Costello School, above, with Aldworth pupil Lakiesha Maxey and Geography teacher Lucy Ashton, inset

down, 16, who claimed 11 A*s and three A's.

She said: "I'm over the moon with my results, I really didn't expect to do this well at all."

"I tried not to think about it so I didn't get too disappointed, but now I know how I've done, I'm so happy."

Harry Hall, 18, of Brighton Hill, got three A*s and 10 A's and is off to Queen Mary's College to study ancient history, maths and

economics. "I was hoping I'd get these results, but it's more than I could've ever dreamed of," said Harry.

A total of 58 per cent of students at Aldworth School achieved five or more A* to C grades.

Basingstoke's Lakiesha Maxey, 16, who gained three A*s and five A's, said: "I worked really hard during revision, but it was definitely worth it and now I'm so happy."

Brighton Hill Community School saw its average drop from 68 to 60 per cent, although headteacher Charlie Currie claimed that the grade boundary change over the last year meant that gap was like "comparing apples and oranges".

He added: "Students leaving Brighton Hill do so as well-rounded adults, successfully prepared for the next stage of their learning."

Bid to boost road safety

HAMPSHIRE'S police force has taken to the streets to deliver greater road safety awareness to the community.

A Peugeot Expert van has been donated to Hampshire Constabulary to spread the message of road safety across the county for the next year.

The van, which has been supplied to the force by Martins Peugeot in Winchester, is decorated with 'pictogram' images in the shape of road signs depicting the main reasons why people are killed.

The 'fatal four' causes are speeding, driver distractions, failure to wear a seatbelt and alcohol or drug impairment.

Road safety officer Sergeant Rob Heard said: "Many people have lost their lives unnecessarily, causing heartache and destroying families."

"The design of the van is powerful and when people see this vehicle, I want it to remind them of the risks we all face on the roads from those who speed, use their mobile phone whilst driving, fail to wear a seat belt or drink or drug drive."

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

*Statistics obtained from The International Glaucoma Association.

What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?
Do you have a family history of Glaucoma?
Are you short sighted?
Do you have diabetes?
Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.*

Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

Your eyes deserve the benefits of cutting edge technology available at this practice.

Crew battle blaze

EASTROP: Firefighters battled a blaze for two hours on Thursday night in Eastrop.

Twelve firefighters from Basingstoke fire station put out the fire in an outbuilding in Goat Lane after they were called to the address at 11.30pm.

No-one was injured in the incident, but the building was badly damaged along with a car parked inside.

Check on voters

BASINGSTOKE AND DEANE: Householders across the borough are set to receive a form from Basingstoke and Deane Borough Council asking them to confirm their details are correct on the electoral register.

The move is part of the council's annual voter registration canvass to identify which residents are not registered, ahead of local and police and crime commissioner elections in May next year.

Electoral registration officer Karen Brimacombe said: "Anyone that wants to vote must be registered."

Roman exhibition

BASINGSTOKE: An exhibition about the excavation of the Roman town at Silchester opened at the Willis Museum last Wednesday.

The parish of Silchester was the location of large Roman town Calleva Atrebatum, with artefacts recovered including coins from AD 68 and a terracotta tile showing the impressions of an animal's paw and the skeleton of a dog. The exhibition is free and runs until Saturday.

Man cleared of raping teenager

A BASINGSTOKE man accused of raping an underage girl was found not guilty at a trial last week.

Bulgarian national Yozlem Arif was cleared of the allegation after a jury at Winchester Crown Court last Wednesday decided that he had not assaulted the unnamed youngster.

Mr Arif had been accused of having sex with a 15-year-old girl from Basingstoke without her consent on March 12 earlier this year at his home in Cambrian Way.

The teenager, who cannot be named for legal reasons, alleged that the 21-year-old had persuaded her and a 14-year-old female friend to go back to the address after meeting the pair on a nearby street, before going on to rape her.

But Mr Arif, who had only arrived in the country three months earlier and could not speak English, claimed that the girls had followed him back to his house, and that no sexual activity had then taken place.

He said: "I didn't know them very well, but they still followed me home and let themselves into my house before I could stop them."

"I've told the police the truth - I

By Christian Wilson

christian@observergroup.co.uk

didn't rape her.

"I didn't do anything, so there was no way she could have said no to my advances."

The girl suffered no injuries during the alleged attack, although a small sperm sample matching the defendant was found in her genital area and underwear in tests taken later that day by police.

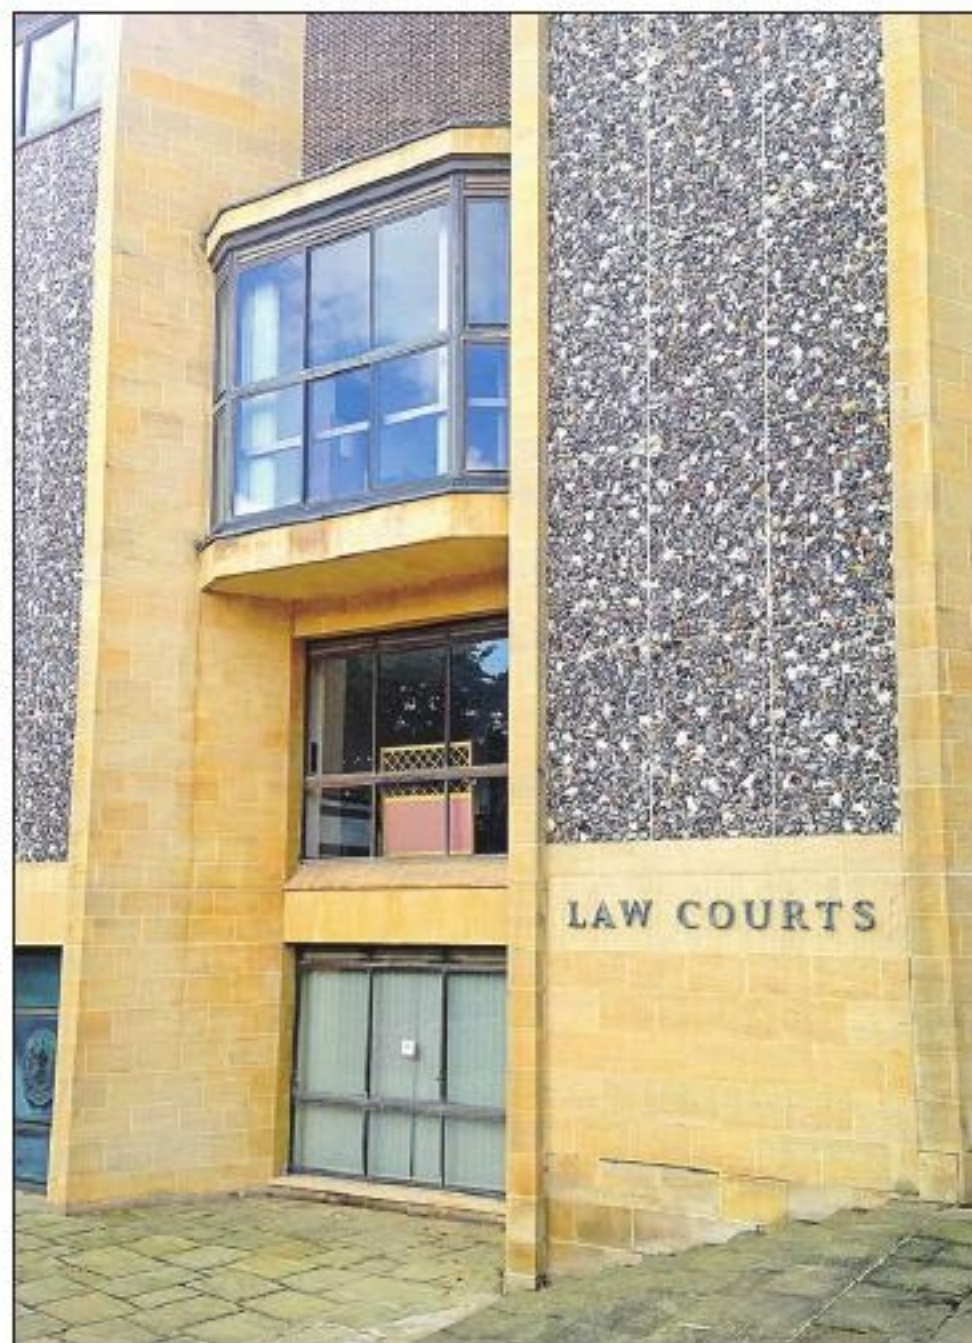

A forensics team concluded however that they could not rule out the sample coming from an external source such as contact with a toilet seat and a bed at the address.

Mr Arif said: "I couldn't stop them from coming into my house because I can't speak the language very well."

"Everything they've said is untrue."

He added: "I don't know how my semen got inside her knickers."

Bulgaria national Yozlem Arif was acquitted of a charge of rape following his trial at Winchester Crown Court

Trial date set for foursome arrested in police drugs operation

A TRIAL date for four people from Basingstoke charged following police drug raids last month has been set for early next year.

Charles Bee, 44, of Shelley Close, Deanne Hopley, 31, of Norrie Court, Jason King, 40, of Dryden Close, and Andrew Neal, 43, of Norrie Court, were all arrested on suspicion of two counts of conspiracy to supply class-A drugs.

Harrow resident Fawzi Salaad, 19, was also charged after search warrants were executed at both Cayman Close and Shelley Close in Basingstoke on Wednesday, July 22.

All five defendants appeared at Winchester Crown Court for a preliminary hearing last Wednesday morning when they were remanded in custody.

They will reappear before the court for a plea and case management hearing on Thursday, October 22, with a two-week trial planned to commence at the Crown Court on Monday, January 11.

Three other people, who have not been identified, were also arrested under a similar charge and bailed by police.

The court has suggested that the trials of the two separate groups could eventually be merged into one.

UK WATER SOFTENERS

Established 20 years

Hard water is something we are all used to in Hampshire, although most of us have got used to putting up with it, many do not realise that you can do something about it. It furs up our heating systems, causing breakdowns, makes it more expensive to heat our homes and damages our appliances. The other problem with limescale is the constant cleaning of showerheads, shower screens, stainless steel sinks, the whole house can suffer where hard water is concerned. Limescale aggravates skin problems such as eczema and psoriasis. With a water softener no limescale will get into the house, which means you will have to do less cleaning, stop buying limescale related products, cut washing powder use by up to 75% and have less chance of large bills for potential future problems with your heating system and appliance breakdowns. If you were to purchase an ordinary softener you would have quite a large machine, which requires you to set clocks and lug around a 25kg bag of salt. The

TwinTec S3 is different. It is small, requires no electricity and uses block salt (like two house bricks) instead of heavy 25kg bags. Harvey Softeners has been manufacturing softeners in this area for more than 35 years. Kevin Goody (UK Water Softeners) is one of Harveys top TwinTec dealers and was voted number two in the country last year.

Why is Kevin so successful?

He puts it down to extensive marketing and a great plumber with a wealth of experience having worked for the manufacturers for the last four years, good customer satisfaction and recommendations. Kevin has installed 4800 water softeners in homes in this area over the last twenty years and arranges everything from initial survey to installation. Kevin Goody also welcomes trade enquiries. We also service & repair Kinetico Water Softeners.

Road paves way for store opening

THE long-awaited unveiling of a new Basing View superstore moved a big step closer at the weekend.

A road built as part of the construction of a combined John Lewis at Home and Waitrose supermarket was opened on Saturday following a year's wait.

The road links Norn Hill with Eastrop roundabout and is a crucial cog to the much-anticipated project, which is due to create 330 jobs in Basingstoke when it opens in October.

Construction company Bowmer and Kirkland, which was appointed by Basingstoke and Deane Borough Council's development partners Muse Developments for the build, was quick to express its pleasure at the news.

Project manager Kevin Cowie said: "We're delighted to be opening the new road and would like to thank motorists, local residents and staff in the Basing View businesses for all their patience and co-operation during what is a very complex programme of works."

"Please continue to bear with us as we progress towards completion of the new stores, which will be a great benefit to the entire community."

A section of Basing View directly in front of the new development will be shut for about 12 weeks, while cladding

christian@observergroup.co.uk

is added to the new store and to enable other work to be safely completed.

The completion of the 73,000 sq ft retail development is part of the council's £200m regeneration of Basing View, with cabinet member for finance and resources Cllr John Izett calling for further patience from the public.

"Building the new store is extremely complex and inevitably has resulted in some disruption," said Cllr Izett.

"We are working hard to minimise the impact on motorists and pedestrians using Basing View and so thank everyone affected for their patience and understanding."

He added: "Completion of the re-routed road serving Eastrop Roundabout is a big step forward in bringing high profile retailers John Lewis at Home and Waitrose to the town centre in time for the festive period."

Family pays poignant tribute to 'a loyal husband and father'

THE family of a Basingstoke cyclist who died after a crash on the A31 have expressed their "terrible shock" at the news of his death.

• Lee Martin

Lee Martin suffered fatal injuries in the collision with a white Ford Transit van near the A31 junction with Station Road, near Bentley,

on Wednesday, August 12.

The 48-year-old was then pronounced dead after being rushed to hospital.

Mr Martin's family released a statement about their loss, saying: "Lee's sudden death has

been a terrible shock and we are all devastated.

"He will be sorely missed by his family, including his wife Jo and two daughters.

"He was a protective and loyal husband, father, son and brother. "Big Lee will be missed by many friends and family members, but he will never be forgotten."

A 29-year-old man from Alton was arrested on suspicion of causing Mr Martin's death by dangerous driving. He has been bailed until Friday, December 18, pending further enquiries.

Anyone with information about the accident is asked to contact the Serious Collision Investigation Unit (SCIU) at Eastleigh police station by phoning 101 and quoting Operation Realm.

LAND SPEED RECORD ATTEMPT WITH SPOKES OF BAGSHOT

Spokes of Bagshot, the new bike shop on Bagshot High Street, is delighted to announce its involvement with the Arion 1 project. This is an attempt on the Human Powered Land Speed World Record to be held in Battle Mountain, Nevada in September. The event is held on a 5 mile straight and flat road that traverses the iconic Salt Flats.

Spokes sponsored Reading based Athlete Ken Buckley, a former rower who regularly competes on the road and track. Ken has been selected from hundreds of applicants successfully completing a rigorous testing process and has been specifically training for this event all year. Ken will join two other athletes, Natasha Morrison and Dave Collins. Ken and Dave will be attacking the male world record which currently stands at 83.13 MPH and Natasha is going for the current female record of 75.69 MPH. The athletes training is all on track and the Arion 1 bike is projected to be capable of reaching speeds in excess of 90 MPH.

Spokes managing director, James Thompson, says: "It is tremendously exciting to be involved with such a project that has a genuine chance of not just attempting a world record, but smashing it! Ken is a great ambassador for Spokes and cycling as a sport and I have every confidence he is going to do the business and bring home a World Record!"

Puzzles

Sudoku

The objective is to fill a 9×9 grid with digits so that each column, each row, and each of the nine 3×3 sub-grids that compose the grid (also called “boxes”, “blocks”, “regions”, or “sub-squares”) contains all of the digits from 1 to 9. The puzzle setter provides a partially completed grid, which for a well-posed puzzle has a unique solution.

Celtic

With St Patrick's day in March, there are lots of ways to include an Irish theme.

Make a harvest knot to wear on your wedding day, or place one in your bouquet to symbolize your Irish heritage. Have a Ceilidh with traditional Irish dances.

Wear Irish Lace, and serve a traditional Irish Wedding Feast. Give Celtic-inspired gifts marked with the claddagh (two hands and a heart), Give love Tokens of Hair - they're symbolic of acceptance.

Cherry Blossoms

Cherry blossoms stand for virtue and new beginnings. Have a thick layer of flower petals carpeting the aisle. For centrepieces, use compact flowers like hydrangeas or peonies with crystal-beaded willow for dramatic height, and scatter petals generously.

Hand your bridesmaids parasols, or fans. Coordinate all your gowns with beautiful, rich brocade sashes. To add a bit of glow, hang round paper lanterns from the ceiling.

Butterfly

A springtime bride might pair butterflies with blossoming branches and pastel petit fours, wear pretty silver and rhinestone jewellery sets. Have the groom wear a single fabric butterfly in his buttonhole.

Dress flower girls in wings and carry a white satin petal basket that's filled with butterfly petals instead of the usual rose petals.

A venue for all seasons

Whatever the weather, Highfield Park offers a truly unique setting for your special day. The 17th century Queen Anne Style mansion house with its stunning spiral staircase, set in 35 acres of beautiful grounds, offers the perfect backdrop for those picture perfect memories. Fastfit Service Centre is located at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's an entire engine

overhaul or just tweaking the brakes, we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more

responsive and smoother to driver. In these tough time, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a range of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

What our customers think

My car had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it!

He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!
Cheers, Clive Baldwin

Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.

I wanted something activated on my car that had not been done

at the factory. A dealer wanted upwards of £100 to do the job, I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price! These guys definitely know what they're talking about and I would recommend them to anyone!

Band hooks in music fans

FOUR-PIECE cover group Blonde Ambition will showcase some of the all-time best rock, pop, funk and disco tracks when they perform at the Old White Hart pub in Hook on Friday, August 28.

Consisting of lead vocalist Nicola Goddard, who also plays saxophone, Lee Wickenden on guitar, Alex Ker-

shaw on drums, and bassist Rob Strachan, the quartet is regarded as one of the country's most popular wedding performers following a host of positive

reviews. "I think sometimes because of the band's name people may presume we are a Blondie tribute act, but we aren't," saxophonist and vocalist Nicola told the Observer.

"We definitely have a very pop/funk/disco sound and play an eclectic mix of covers including 'Single Ladies' by Beyoncé, 'Uptown Funk' by Mark Ronson and Bruno Mars, 'September' by Earth, Wind & Fire and 'Don't stop believing' by Journey.

"We always receive lots of comments on the sound we produce which as a musician is very important."

Blonde Ambition was formed six years ago after Nicola set her heart on a new musical venture following a decade with covers group Session with her father Paul.

She was helped in the task of creating the band by the fact that guitarist Lee is her husband, drummer Alex is a long-time friend and Lee knew bassist Rob from their school days.

In addition to their gigs as semi-professional musicians, the members of the group also have full-time jobs.

Husband and wife Nicola and Lee work as teachers at Kings International College in Camberley, Rob is an engineer and Alex is a partner at Black Tie Menswear in Crowthorne.

"As a child who was brought up on a variety of different music and as a teacher, it is essential that children witness live music so that they can be inspired to be our next champions of music," Nicola said.

"Learning to play an instrument will open so many doors in a young child's future. I cannot recommend that enough."

She added: "Live music has to be kept alive and the next generation must take responsibility for that."

Bassist Rob backed that view, saying: "Any musician will tell you that it is the crowd that makes a gig."

"The energy that you receive from them spurs you on even more to play to the best of your ability in order to give your audience the best night possible."

The free gig at the Old White Hart starts at 9pm and will last for two-and-a-half hours.

Phoenix's autumn list offers a wealth of entertainment

By James Richings

jamesr@taylornewspapers.co.uk

THE Phoenix Theatre and Arts Centre in Bordon has announced its autumn line-up beginning on September 8.

Kicking off the new programme will be comedian Michael Fabbri with his comedy show, 'Dyselexicon'.

The show is a preview for his upcoming BBC Radio 4 comedy series about dyslexia, with the stand-up comic talking about his failures as an adult.

Three days later on September 11, former Britain's Got Talent contestant Joe Weller will be appearing at the Station Road venue, as the Aldershot musician continues to make a name for himself.

The first production by the venue's actors, The Phoenix Players, will take to the stage from September 18 to 26, as the company showcases 'We'll Meet Again' to mark the 70th anniversary of VJ Day.

Wrapping up the month's entertainment will be Scottish-Indian comedian Hardeep Singh Kohli, as the 46-year-old

arrives in the town on his 'Big Mouth Strikes Again' tour.

The comic will be performing his show on September 24.

October will begin with the theatre's monthly comedy show on October 1, with comics such as Andre Vincent, Jessica Fotekeew and Jamali Maddix

all bidding to exercise the audience's chuckle muscles.

Two days later, the Phoenix Beer Festival will be held with a number of ales available for beer buffs to sample. There will also be a barbecue.

During the month, comedians such as James Acaster (October 15) and

Sean Hughes (October 23) will also visit the theatre and arts centre with their respective shows "Represent" and "Mumbo Jumbo".

The month will conclude with a screening of Alfred Hitchcock's classic film 'Psycho' on Halloween.

The Publick Transport Theatre Company will visit Bordon on November 7 with its comedy show, 'We Are Brontë', which features physical theatre, clowning, stand-up comedy and improvisation.

Ten days later, on November 17, British comedian Stephen K Amos will visit the theatre and arts centre as part of his 'The Laughter Master' tour.

The award-winning comic is on his second UK tour of the year, following on from the success of his previous show, 'Welcome to My World'.

Ending the month will be the arrival of comedian, actor and radio presenter Nish Kumar on November 27.

The performer is known for appearing in television shows such as 'Virtually Famous' and presents the BBC Radio 4 Extra show 'Newsjack'.

• Joe Weller will be appearing in Bordon on September 11

SHAPPI KHORSANDI- BECAUSE I'M SHAPPI

After being knocked up like a 1950's teenager, Shappi missed 2013, but now she is back and it's forward march.

Reflecting on the good things, she celebrates her haphazard zigzag towards her dreams. She introduces us to friends, family and total strangers who have helped her on her personal Yellow Brick Road. She has whip-crack jokes and is effortlessly funny as she handles every subject with a razor sharp wit, softened only by her deliciously mischievous delivery and endless charm.

McLaren returns to Pebble Beach with one-off 570S

By James Richings

jamesr@taylornewspapers.co.uk

FOUR years on from its global launch, McLaren Special Operations (MSO) will return to the USA's famous Pebble Beach Concours d'Elegance later this month with a selection of distinctive and beautiful commissions.

The bespoke division of McLaren will showcase some of the individualisation options it will make available on the forthcoming new 570S Coupé, the first model to join the McLaren Sports Series.

Two examples have been created.

The first 570S Coupé by MSO features the uniquely formulated Mauvine Blue paint finish coupled with a bespoke interior finished in Carbon Black leather with co-ordinating detailing, carried through from the exterior colour.

A second 570S Coupé, finished in Ventura Orange and fitted with a selection of styling details from the MSO Defined range of options, will take up position on

the popular Concept Lawn at the event.

Production of the coupé-only model is strictly limited to 500 examples worldwide all of which have now been assigned to customers.

With a clear focus on lightweight, optimised aerodynamics, increased power, track-focused dynamics and driver engagement, the model re-establishes the 'Longtail' heritage.

This means that the car's top speed is 330km/h (205mph), the 675LT accelerates to 100km/h (62mph) from standstill in 2.9 seconds, and hits 200km/h (124mph) in just 7.9 seconds.

Alongside model in the Super Series will be the even more exclusive 650S Le Mans.

Created by MSO to celebrate the 20th anniversary of the now legendary victory at the famous French endurance race, the 650S Le Mans is limited to just 50 examples and features design aspects taken from McLaren F1 GTR chassis #01R which took victory two decades ago.

Completing the line up of McLaren

models on display during the weekend will be a 1996 McLaren F1 GTR.

Being displayed by McLaren Automotive, on loan from BMW North America who sponsored the car during its debut season, chassis #17R was campaigned by Team Bigazzi and competed at various races through the season including finishing eighth at the 24 Hours of Le Mans.

The Volcano Red example of the limited edition

McLaren P1TM is one of just 375 models, and represents the McLaren Ultimate Series at the pinnacle of the three-tier model range.

The 1998 McLaren F1, chassis #073, is in a highly sought-after specification with a number of upgrades.

Licensing Agency

End of the road for your vehicle?

Responsible drivers scrap their vehicles at an
Authorised Treatment Facility (ATF).

Because only an ATF can legally scrap a vehicle.

That means any pollutants will be made safe before it's recycled in an environmentally friendly way.

What's more, for certain types of vehicle you'll get a DVLA approved Certificate of Destruction (CoD). A CoD proves the ATF has told DVLA your vehicle has been scrapped and is no longer your responsibility. www.direct.gov.uk/motoring

Collard claims third victory

Sport Bites

Keeper signed

ICE HOCKEY: Basingstoke Bison secured the services of netminder Dan Weller-Evans for another season last Thursday. The product of the Basingstoke junior development programme joined the club last year from the Wightlink Raiders and led the Herd to a 9-1 home victory over his former club on his debut.

Weller-Evans will back up summer signing Tomas Hladovský for the keeper position for the upcoming season.

He said: "I am excited for the new season and feel we are a team which will do very well."

"I know my job is as the back-up, but I have to make sure I am ready every game if I am called upon as you never know when it is going to happen."

Skittled out

CRICKET: Basingstoke and North Hants continued their poor form on Saturday as they were convincingly beaten by Bournemouth.

The nine-wicket defeat meant that the Bountymen slipped from third to fifth in the Southern League Division One table.

Successive defeats to rivals Hook and Newnham Basics and New Milton have seen their promotion hopes fade in recent weeks and it took the visitors just 26 overs to bowl them out for only 72 runs.

Bournemouth then quickly dispatched the runs needed for victory inside 21 overs for the loss of one wicket, with Luke Matthews top scoring with an unbeaten 39.

Elsewhere, Hook lost their top-of-the-table decider with New Milton by 77 runs after being bowled out for 133 chasing a 210-6 target inspired by James Park's knock of 71.

Danson's delight

HOCKEY: Odiham hockey star Alex Danson helped England secure their place in the semi-finals at the European Championships yesterday.

The forward missed a penalty flick and a series of other chances to get her name on the score sheet during a dominant 2-0 win over Italy.

But goals from Nicola White and Helen Richardson-Walsh ensured that England got the victory at Queen Elizabeth Olympic Park in London.

Danson and company will play their final group stage match against Germany tonight, with England needing a win to top the group and get a favourable draw for the next round.

HOOK-BASED racer Rob Collard showed his class over the weekend with some masterful driving in the British Touring Car Championship at Knockhill.

The West Surrey Racing (WSR) driver brought home 37 points from the Dunfermline track after picking up his third win of the campaign, as well as securing a place on the podium in race two.

Collard was eager to bounce back to his best after suffering a shocker in the previous round at Snetterton earlier this month in which he did not register finishes in two races.

And he did just that in Scotland, producing one of his best drives of the season in the opening race after qualifying in fourth spot on the grid.

The 46-year-old came roaring off the line and quickly moved past teammate Sam Tordoff into third after the pair briefly touched at high speed.

Ahead of him, Andy Priaulx and Motorbase Performance's Mat Jackson became embroiled in a frantic battle for first place, with a mistake from the former giving Collard the opportunity to pass him on the inside.

And the WSR driver soon claimed the lead, as Jackson's 1-Series was unable to hold off the pacy Collard, who flew by on the outside to take the chequered flag by 1.72 seconds.

race two after the experienced driver's BMW showcased its ability to maintain high pace until the finish, as the car drew in Jackson's Ford Focus in the

battle for second. And Collard's persistence eventually told as he finally completed his move on the 25th lap to finish behind race winner Gordon Shedden and make it two podiums out of two.

The final race brought him back down to earth with a bang as he spun out of contention to

not register a finish, but Collard was still left to reflect on a very positive weekend for him personally.

"The BMW was really flying today," he said.

"It's a credit to the guys, after the weekend we had at Snetterton - they've been working so hard on the car and we've got

some brilliant results.

"To grab another win at Knockhill is brilliant, there's something in the air here and it's a privilege to race around such a great circuit."

The next round of races will take place at Rockingham in Northampton on Saturday, September 5.

Boss confident of Town gaining elusive win

JASON Bristow has urged Basingstoke Town fans not to lose faith in their side after the Dragons were held to two draws last week.

The Town boss felt that his side were unlucky to emerge with only two points after being held 2-2 and 0-0 by Oxford City and Margate respectively.

Basingstoke have now gone five matches without a win at the start of the new National League South season and sit just one space outside the relegation zone.

But having seen his side hit the bar twice and force a number of outstanding saves from Margate keeper Nikki Bull on Saturday, Bristow insisted that his team were on the verge of that elusive first win.

"The tide will turn sooner rather than later, I'm very confident of that," he said.

"We did enough to win two or three games, and if we'd won by two, three or four goals, nobody would've complained."

"I can't blame bad finishing because their keeper was just fantastic."

"But the bottom line is that we didn't score and haven't won the match, so that is where we are at the moment."

Bristow handed new signing Samuel Akinde his full debut against Margate at the Camrose, after the striker joined the club last Friday.

And while he was pleased with the impact the forward had on a game littered with chances, the Dragons' manager also picked

out a number of other positive factors from his side's spirited display.

He said: "Sam offered us a little something different with his physical presence up top, and we are getting into goal-scoring opportunities."

"We're also three unbeaten now and have kept our first clean sheet of the season, which is positive."

Next up for Basingstoke is a crucial trip to fellow strugglers Hayes and Yeading next Saturday.

Bristow added: "We've got to keep on believing, but that's five games without a win, so it has to be now."

"I know that we'll be okay once we get going, but it is a very frustrating time at the moment."

• Manager Jason Bristow was quick to point out the positives following his side's stalemate with Margate

WOODWORK DENIES DRAGONS FIRST WIN

Goalless draw follows loss of two-goal lead at Oxford

BASINGSTOKE Town were left to rue what might have been last week as they stretched their winless start to the new season to five matches.

The Dragons twice hit the frame of the goal during a dominant display against Margate on Saturday but were somehow unable to find the net during a 0-0 draw.

Jason Bristow's men had been left even more frustrated four days earlier however, as they were pegged back on two occasions after taking the lead to draw 2-2 at Oxford City.

That result prompted the Town boss to make his fifth signing of the summer as he brought in free agent Sam Akinde on Friday to bolster his forward line for the visit of Margate.

But it was The Gate's strikers who nearly struck first after front pairing Freddie Ladapo and Luke Moore played a smart one-two in the area on 10 minutes, with keeper Aaron Howe flying out of his goal to smother Ladapo's resulting shot.

Basingstoke's Lloyd Macklin

was left with his head in his hands soon after as Nikki Bull pulled off a magnificent save to tip his powerful header at the back post onto the crossbar.

And Margate were left with their keeper to thank again seconds into the second half as midfielder Louie Soares embarked on a slalom run down the left, before thundering a shot towards the corner that Bull blocked with his legs.

Striker Chris Flood then became the second player to be denied by the woodwork as his header rattled the bar on 70 minutes, before Harrison Gilkes' daisy cutter from the right flew inches wide of the far post.

And a superb piece of play from the winger nearly carved out the winner seven minutes from time as he jinked his way into the box and laid it back to fellow substitute Liam Enver-Marum to fire towards goal.

But that man Bull was there again to tip the ball around the post and ensure the game remained goalless.

The Dragons were even more wasteful on Tuesday at Marsh Lane however, as they missed chance after chance against Oxford before Macklin finally put them ahead on 20 minutes with a close-range header.

Adrian Santiago then capitalised on a mistake at the back to level for the hosts from close range on the half-hour mark.

Soares responded by curling a delicious free kick inside the near post from out wide on the left wing to leave keeper Laurie Walker red-faced and hand the lead back to Town midway through the second half.

But they were pegged back again on 70 minutes after James Harper brought down Kynan Isaac in the box to give Oxford the chance to level from the spot.

And former Basingstoke forward Bradley Bubb duly dispatched the penalty to ensure Basingstoke returned home with just one point.
